The screenshot shows a quiz interface titled "Advance Quiz Website". At the top right, there is a "Time Off" button with a timer showing "00". The main question is "3. Environmental education should be taught in schools because". Below the question are four answer options in light blue boxes: "It will affect environmental pollution", "It is important part of life", "It will provide job to teachers", and "We cannot escape from environment". The second option, "It is important part of life", is highlighted in green and has a green checkmark icon to its right, indicating it is the correct answer. At the bottom left, it says "3 of 10 Questions", and at the bottom right, there is a green "Next>>" button. Two red arrows point from text labels on the right to the "Time Off" button and the correct answer option.
